PERSONAL PROFILE

I am Roberto, I graduated from Bhayangkara Jakarta Raya University and my major was Computer Science. I joined a lot of communities from my university and also neighborhood to develop my soft skill and experience. I also have developed Analytical Skills, and Python Programming, I feel that I am useful and I am willing to share my knowledge with your company. I am now looking to develop my skills further, especially in Software Engineering. I believe that Go-Jek and I will be the best partner to reach our goals in the future.
